

## From the bottom of my broken heart - 1/2

Interprété par Britney Spears.

"Never look back," we said  
how was I to know I'd miss you so?  
Loneliness up a head,  
emptiness behind  
Where do I go?  
And you didn't hear  
all my joy through my tears  
all my hopes through my fears  
did you know, still I miss you somehow?  
From the bottom of my broken heart  
there's just a thing or two I'd like you to know  
you were my first love,  
you were my true love  
from the first kisses to the very last rose  
from the bottom of my broken heart  
even through time may find me somebody new  
you were my real love  
I never knew love  
'til there was you  
from the bottom of my broken heart  
"Baby," I said,  
"please stay.  
Give our love a chance for one more day"  
we could have worked things out  
taking time is what love's all about  
But you put a dart  
through my dreams  
through my heart  
and I'm back where I started again  
never thought it would end  
From the bottom of my broken heart  
there's just a thing or two I'd like you to know  
you were my first love,  
you were my true love  
from the first kisses to the very last rose  
from the bottom of my broken heart  
even through time may find me somebody new  
you were my real love  
I never knew love  
'til there was you  
from the bottom of my broken heart  
You promised yourself  
but to somebody else  
and you made it so perfectly clear  
still I wish you were here  
From the bottom of my broken heart  
there's just a thing or two I'd like you to know
