

# My Precious Love - 1/1

**Interprété par Lenny Kravitz.**

You came to me like a dream  
How would I know it was a scheme  
To get me to you

Your eyes burned like fire  
Through my heart  
Although we were life times apart

Making mistakes was my game  
Your life I tried to rearrange  
But now I know a better way

My precious love

Now you're a woman  
You've got a child  
And those days of being wild  
Are gone with the past

But now baby you still ain't got no home  
All those endless nights you've had to roam  
But I know a better way

My precious love
